

Health Law Seminar – Fall 2022

This table summarizes your deliverables for the Fall 2022 *Health Law Seminar*. The same information is built into the *Canvas* site for this course. Please remember that the primary objective of this course is to assist you in writing your *own* paper on a health law topic of your choice. These dates and deliverables are designed as a “floor.” You are welcome (though not required) to write faster, submit more drafts, and consult with Professor Pope more frequently than outlined below.
