19 Defendant Children’s Hospital & Research Center at Oakland (“Children’s”) is pleased to
20 report that, pursuant to a Stipulation entered into between Plaintiff and Defendant on Friday
21 January 3, 2014 in Alameda County Superior Court action RP-13-707598, the body of Jahi
22 McMath, a deceased minor, was released to the Alameda County Coroner by Children’s and
23 thereafter removed from Children’s Hospital on Sunday January 5, 2014. At that time, the
24 Temporary Restraining Order issued in Alameda County Superior Court dissolved and Plaintiff
25 accepted sole responsibility for the care of her deceased daughter.

26 Defendant respectfully submits that these developments render entirely moot the hearing
27 on injunctive relief set for Tuesday January 7, 2014 at 1:00 P.M. in this matter. Defendant has
28 asked Plaintiff to confirm that the hearing is moot and should be taken off calendar. Plaintiff has

1 not yet responded to that request.
